Since 1966, JM Murray has provided individuals with disabilities the tools to work and thrive.

Whether on-site or in the community, we surround our clients with the services and training that empower them to create connections, serve their community and most of all, direct their own future.

At JM Murray, it's all about the people.

*Special thanks to our venue!*

4514 State Route 281, Cortland, NY 13045

*Cortland Country Club*  
*Cortland, NY*

In 2019, JM Murray held its inaugural golf tournament. Our intent was to create more awareness that JM Murray is a not-for-profit (NFP) organization. Unlike traditional NFPs JM Murray has always been self-sufficient. Our business and manufacturing solutions have supported our mission to create employment opportunities for individuals with disabilities while providing support services to them and their families.

However, the landscape has changed. The reimbursements from outside agencies who regulate our industry are no longer assured, and funding continues to lag behind the yearly inflationary rates and cost of living increases.

In 2021 the JM Murray Foundation was created as a formal fundraising entity, and this year we hope you can help. We offer a variety of choices—tournament sponsorship, a team, a tee box, or a meal. 100% of all donations after expenses go directly to the JM Murray Foundation.

This year's proceeds will go towards the purchase of a new film conversion bag machine used by JM Murray to manufacture waste can liners sold throughout NYS under the New York State Industries for the Disabled (NYSID).

We look forward to seeing you on Monday, July 21, 2025. Thank you for your support and generosity.

**Ernest M. Dodge**  
President/CEO JM Murray
