JM Murray

Since 1966, JM Murray has provided individuals with disabilities the tools to work and thrive.

Whether on-site or in the community, we surround our clients with the services and training that empower them to create connections, serve their community and most of all, direct their own future.

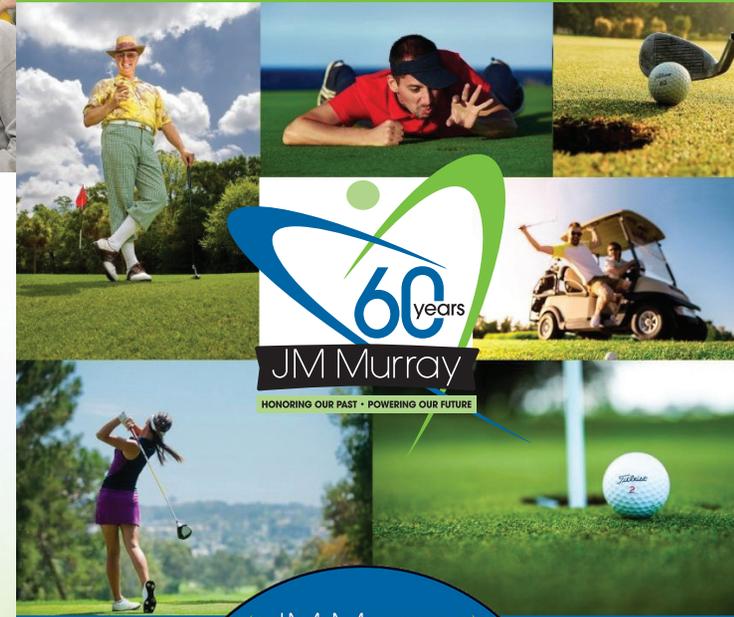

At JM Murray, it's all about the people.

Special thanks to our venue!

4514 State Route 281, Cortland, NY 13045

7th Annual

Monday, July 20, 2026

Cortland Country Club
Cortland, NY

Since our inaugural tournament in 2019, the JM Murray Golf Classic has been about more than a great day on the course. JM Murray is a not-for-profit unlike any other—one that has always been self-sufficient, using our business and manufacturing solutions to create meaningful employment opportunities for individuals with disabilities while providing vital support services to them and their families.

But the landscape has changed. Agency reimbursements are no longer assured, and funding continues to fall behind rising costs. The JM Murray Foundation was established in 2021 to help bridge that gap—and this year, we need your support.

This year's proceeds will fund the acquisition of a state-of-the-art FJet24 Flatbed Inkjet Printer, expanding our ability to custom print toothbrushes, retainer cases, kit cases, and dental floss for dental offices and distributors nationwide—an investment in innovation, our workforce, and the people we serve.

There are many ways to get involved—tournament sponsorship, a team entry, a tee box sponsorship, or a meal—and 100% of all donations after expenses go directly to the JM Murray Foundation.

Join us Monday, July 20, 2026, and help us tee up a brighter future.

Thank you for your support and generosity.

Ernest M. Dodge
President/CEO JM Murray

Schedule

Registration & Lunch
11:30 AM–12:30 PM

Shotgun Start
12:30 PM

Cocktail Hour & Dinner
following round of golf

Entry Fee Includes:
Greens Fees and Carts
